What kind of person are Bath Rugby looking for?

Bath Rugby is looking for reliable, friendly and energetic staff to join our bar team for the duration of the season. Our supporters are at the heart of everything we do, and it's our job to make sure we provide the best level of service possible to them, regardless of what that is! Previous bar experience is preferred, but is by no means essential – we'll make sure you're confident in your role ahead of your first shift with us no matter what.

What would I be doing?

This can be anything from pulling pints to operating the till systems & interacting with customers; there is also the opportunity to work on our growing pre-order bars, as well as pick up shifts for non-matchday events.

How often would I be working?

Bath Rugby home fixtures take place at the Rec approximately every second weekend from September to June, but this can be more or less frequent during certain times of the year. Matches are played on Fridays, Saturday and Sundays, but fixtures are confirmed well in advance, so you'll be able to plan around your shifts at any rate.

How do I apply?
