

Supporter's Health Screening

By purchasing your ticket, you are agreeing to each of the statements below in this Health Screening.

1. The person(s) purchasing and using these tickets **is/are not** currently diagnosed with COVID-19 and has not been so within 10 days before the game.
2. The person(s) purchasing and using these tickets **do not** have any of the below symptoms on the day of the game:
 - a new continuous cough
 - a high temperature
 - a loss of, or change in, your normal sense of taste or smell
3. The person(s) purchasing and using these tickets has followed current government guidance if having travelled from outside of the UK

If not in receipt of a second dose of COVID-19 vaccine more than 14 days before the game:

4. The person(s) purchasing and using these tickets **have not** been in contact with a confirmed case of COVID-19 within the 10 days before the game.

If the person(s) purchasing and using these tickets cannot confirm that these statements are true on the day of the match, they **will not** travel to the Rec. Please follow Government guidance in these circumstances.

Before arriving at the Rec, all supporters should take a Lateral Flow Test and should only travel to the Rec upon receiving a negative result.

As of Wednesday 15th December 2021 supporters can legally only be permitted into the ground with proof of double vaccination status or a negative lateral flow/PCR test. More information can be found within the COVID-19 Supporter Requirements.
