## Risk Assessment

<b>Task</b>	<b>Covid 19 - Plan B</b>
Assessed by	Kevin Instance
Approved by	Zoe Tyler

<b>Ref Number</b>	<b>BR-CV16</b>
Date of Assessment	14/12/2021
Date of Review	14/03/2022

### Activity

The UK Government has approved the return of spectators to sporting events under the continuing threat of the COVID-19 pandemic. At the time of writing, the ground can be filled to capacity with the UK Govt's Plan B measures in place.

Number	Hazard			Risk Rating			Control Measures										Relevant Activity					Residual Risk								
	Hazard The potential to cause harm	Risk How harm can occur	Who could be affected	Likelihood	Impact	Risk Number	Risk	URN	What measures can be put in place to reduce the risk										GA Arrival	GA Circulation	GA Seating	GA Egress	Hospitality Arrival	Hospitality Circulation	Hospitality Boxes	Hospitality Egress	Staff Operations	Likelihood	Impact	Risk Number
	COVID-19 Disease	The contraction or spreading of the disease.	Supporters All staff All players Friends and family Any additional staff or contractors on site	3	4	12	<b>MEDIUM</b>	General																						
								G1	'Responsible Person' in place in line with Plan B Legislation. Covid Marshalls also deployed in High Vis to ensure compliance.																					
								G2	COVID-19 Code of Conduct to be reviewed and published that will comply with Plan B legislation.																					
								G3	Expectations of adherence to Covid-19 procedures and Code of Conduct outlined at point of purchase of tickets.																					
								G4	Clear communications regarding conduct, rules and guidance to be sent to all hospitality guests ahead of matchday.																					
								G5	Health Declaration to be completed by all staff prior to arrival at The Rec.																					
								G6	Clear communications to supporters to outline procedures and expectations sent prior to matchday.																					
								G7	Signage positioned on arrival and throughout the ground reminding of regulations and expectations.																					
								G8	All stewards, hospitality and bar staff briefed by the Safety Officer on COVID-19 specific protocols.																					
								G9	Stewards given a written briefing (as well as verbal) with specific position instructions.																					
								G10	Stewards briefed to offer advice and guidance to those breaching Code of Conduct. Escalation measure to be in place, including eviction where necessary.																					
								G11	COVID-19 regulations and expectations communicated regularly during the game via the big screen and PA system. Including text reporting service																					
								G12	Covid status checks aimed at 100% of those attending. If there are spontaneous safety considerations, the Safety Officer will make a safety determination to reduce the percentage of people checked. Some of the reasons that may warrant this include (but are not limited to) CT, poor weather, disorder or highway obstruction.																					
								Sanitation
